THERE IS SOMETHING FOR EVERYONE

Depending on various age groups, occupation and hobbies, there are specific areas of the body which are more prone to strains and tense muscles; massage promotes physiotherapeutic effects and also stimulates better blood circulation, higher metabolism, emotional relaxation and mental rejuvenation. The complete HCI Massage chair series is comprehensive and functional for sharing with the whole family, both young and old.

01 Convenience for the working class

rejuvenating massage session anytime in the convenience of your home.

02 Beauty care for the ladies

A massage can help improve body posture, eliminate water retention and aid in detoxification.

03 Therapeutic for the Elderly

Mimicking physical motion, the elderly can reap the physiological benefits from a massage to make up for a lack of regular exercise without needing to step out of the house.

04 Health Investment for the Youths

Youths can benefit from the physiotherapeutic effects of a massage that helps reduce likelihood of a muscle injury after exercise, decrease soreness while also relieving mental stress.

05 Recovery for the athletes the Youths

Massage therapy promotes greater flexibility, muscle suppleness and blood circulation. It also aids to stretch the muscles for a shorter recovery time.
